

Principal's Corner: Trying to focus students' attention on Reformation day is a tough assignment when we're competing with the allure of Halloween. But we are part of such a rich tradition that we don't want to ignore this important part of our history. So this morning our chapel focused on the truth that we know we are loved by Jesus "because the Bible tells us so". That's something that children 500 years ago could not sing with confidence. Most couldn't read, and even if they or their parents could, they probably didn't have a Bible, and certainly not one written in their language. This led to all kinds of issues in the church which God used the Reformation to correct. Today, we have the ability to read and we have Bibles at our fingertips. And we have the freedom to search the scriptures to understand God's will for our lives. I'm so thankful that we have the privilege as a Christian school to partner with parents to raise your children in the knowledge of God's Word. My prayer is that as a school, and as families, we will never lose the desire to be rooted in scripture. Please pray that God will keep us faithful, as He is faithful.

Survey: The board of HCS has contracted with the Ontario Alliance of Christian Schools (OACS) to do a School Quality survey. This survey helps us:

- Review school strengths and growth areas in a confidential way.
- Identify areas that we need to address in our new Strategic Plan.

Last week you should have received an electronic survey from the OACS. Please take a few minutes to respond to it. This ensures that the OACS gets as much feedback as possible so that they can help us more effectively deliver a quality Christ centred education to your children.

Thank you for your time and feedback.

Looking for a way to get some volunteer hours? The Capital Campaign needs your help. There are two different opportunities coming up.

- The first opportunity is on Monday, November 6 from 1:00 p.m.—? We are looking for volunteers to help us stuff and label envelopes for the mass mailing to go out before the phone campaign. If this is something you would like to help out with let the office know.
