

Campaign Kickoff BBQ!

It was so exciting to launch the **Same Foundation Next Generation** Capital Campaign with a Kickoff BBQ on the evening of Friday, September 16, 2016.

Over 250 members of the community, parents, future parents, grandparents, and lots of students were in attendance to learn about the \$3M campaign that will support the upcoming renovations to our school. There were opportunities to see the floor plans and drawings, and meet the campaign chair, Agnes Waanders, and the Campaign Cabinet.

There was time to sing and worship together, to reconnect with friends and acquaintances, and an opportunity to make a commitment to pray for the school and for the campaign. It was an evening of fun, food, and fellowship!

It is always fulfilling to be together as a school community to celebrate the start of another school year, especially a year that will bring great change and exciting times for us all.

Thank you for coming out and for pledging your support!

"God is magnificent; He can never be praised enough. There are no boundaries to His greatness. Generation after generation stands in awe of Your work; each one tells stories of Your mighty acts."
