PRINCIPAL'S CORNER

Prayer is the primary means through which we communicate with our Heavenly Father. Jesus serves as the perfect role model for our prayer. He taught us how to pray through the Lord's Prayer. In the New Testament we see numerous occasions where Jesus prays passionately to His Father. We pray through Jesus, our Mediator, to God, our Father.

As a Christian school community, we value prayer. We pray at home with our families. Teachers and students support each other in prayer during daily devotions in the classroom. Teachers pray as part of weekly staff devotions. Many of our meetings with parents and fellow teachers begin and end with prayer. Our HCS Board and its committees include prayer on agendas. We have parents that pray specifically for our school including our prayer circle that met outside school on our first day. Teachers and leaders pray for our students. Teachers and parents model prayer for our students and children. We encourage our students to lead each other in prayer through classroom devotions, chapels and whole school assemblies. We are a praying community. Let's continue to pray for one another, for our wider community and for our world.
