Letter to Prospective Parents

Thank you for your interest in Huron Christian School (HCS). Choosing the right school for your child is an important decision, and we are honoured that you are considering HCS for your family.

For over 60 years, HCS has partnered with Christian parents to provide a Christ-centred, well-rounded education for students in Junior Kindergarten through Grade 8. As we look ahead to another school year of serving families in Huron County—we remain committed to nurturing children in a supportive and caring environment where faith and learning grow together.

Enclosed in this package are the forms required for enrolment at HCS. Please take time to review the documents carefully, as they outline our educational approach and expectations. Once completed, please return the necessary forms along with your deposit cheque of \$500. This process helps ensure that your family's educational values align with ours and that we can provide the best possible experience for your child(ren).

If you have not already done so, we warmly encourage you to schedule a visit. Touring the school, meeting our staff, and seeing Christian education "in action" is the best way to experience the heart of HCS.

Our curriculum is designed to integrate faith and learning, equipping students with the tools they need to make wise and discerning choices throughout life. Because of this, it is essential that each student's home environment reflects a faith commitment that supports this mission. HCS exists to complement the work of the home and church in nurturing children in Christ. The Pastoral Reference Form, included in this package, helps us confirm that connection.

Should you have any questions or require further information, please don't hesitate to contact us. We look forward to the possibility of welcoming your family into the HCS community and walking alongside you in the joyful calling of raising your child(ren).

In Christ Alone,

Michael Huizenga
